

NAME _____

Ancient China/India Cartoon Strip

In this assignment, you will create 6 cartoon strips to teach someone about ancient China. Choose an appropriate character to present **historically accurate** information about ancient China in a fun, entertaining way! You will not be graded on your artistic ability, but whether or not you answered the questions correctly with a visual representation. You must color the cartoons in. You should show your own creativity and include the following information:

Geography of India and China (pg. 92-93)

1. How does weather effect the Indian subcontinent?
2. How did China's geography influence the way it developed?

Mandate of Heaven (pg. 94-95)

3. What is the Mandate of Heaven?

Chinese Dynasties (pg. 101-106, notes)

4. What architectural achievement did Qin begin building?
5. How did Emperor Qin handle his eventual journey to the afterlife?

The Great Silk Road (pg. 104)

6. How did the Silk Road contribute to cultural diffusion and the spreading of ideas?
